

Valentine's Celebration and 100th Day of School

Tuesday, February 14th

Our 100th day of school will be on Valentine's day! We will be celebrating both on that day! Valentine's in the afternoon and the 100th day in the morning!

For the 100th day of school we are planning to have a read-a-thon for 100 minutes! Students are encouraged to bring in 1 blanket, 1 pillow and 1 SMALLish stuffed animal. We will be starting this at 9:30 breaking for snack and a short recess, finishing by lunchtime.

For the afternoon we will be squeezing in a short time to pass Valentine's cards and serve treats/snack. Students should bring in a Valentine's box (they are welcome to make a new box or use the same one from last year... even just a decorated paper bag will do fine) to receive cards in. Students are encouraged to bring Valentine's Cards for our class. The rule is if you bring for one, you must bring for everyone. Please use the class list on the back to help with names.

ALL students are also welcome to bring in a special snack for that day if you/they wish. Baggies of 100 snack items (we won't have time to count them out at school... so this would need to be one at home before snacks come in) could be a SUPER idea! Like 20 bags of 100 peanuts or whatever you decided on.. Egyptians
